## **SB 2342 - HB 2300**

February 25, 1998

**SUMMARY OF BILL:** Enacts the *Alternative Certification Act*. The State Board of Education shall by written policy provide for the certification and employment as teachers of persons who do not hold teaching certificates issued by the state.

### **ESTIMATED FISCAL IMPACT:**

#### **Increase State Expenditures - Not Significant**

Assumes a cost for the State Board of Education to develop a written policy, to issue certification based on an evaluation of a person's knowledge, exam results, ability to communicate information, and the academic achievement of pupils taught by the person during internship. However, such increase in state expenditures is estimated to be not significant.
